*Keeping Christ and the Cross at the Center of All We Do*

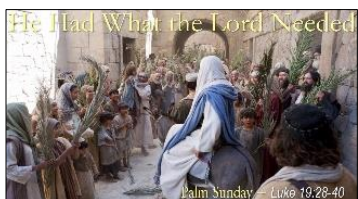

**Welcome** **April 14, 2019**

Lake View Church is a body of believers with the goal of...

*Keeping Christ and the Cross at the Center of All We Do!*

It is our desire to glorify God in our worship and to enjoy a worship service that is inspiring, challenging and convicting! Lake View Church is Christ-centered, blending with traditional & contemporary, casual & caring ... there is a place for everyone here. During our service today, you will be confronted with Jesus Christ as a risen and living Savior. You will see the evidence of His life around you and you may be drawn to Him to the point that you would desire to begin a personal and meaningful relationship with Him. If so, we invite you to respond by faith and say "YES" to His love and the forgiveness He offers you! If you make this decision today, we would love to share in that joy with you. Please let someone know so that we can pray with and for you!

**The Lord Has Need Of It:** **Luke 19:28-40**

The story of our Lord's entry into Jerusalem is a familiar one for most church people. This morning we will focus on a part of the story that has not been given much attention as we look at the unnoticed player ... the owner of the donkey. There are several suggested reasons why the owner of the donkey let the

disciples take it, but let's consider that this man saw the loaning of his donkey as an act of worship and love. Jesus needed it. This was not a small request. God does not always ask for big things and God will not ask you to give what you don't have. You may not feel as though you have anything significant to give, but God takes simple things and uses them in big ways!
