Keeping Christ and the Cross at the Center of All We Do

Lake View Church is a body of believers with the goal of...

Keeping Christ and the Cross at the Center of All We Do!

It is our desire to glorify God in our worship and to enjoy a worship service that is inspiring, challenging and convicting! Lake View Church is Christ-centered, blending with traditional & contemporary, casual & caring ... there is a place for everyone here. During our service today, you will be confronted with Jesus Christ as a risen and living Savior. You will see the evidence of His life around you and you may be drawn to Him to the point that you would desire to begin a personal and meaningful relationship with Him. If so, we invite you to respond by faith and say "YES" to His love and the forgiveness He offers you! If you make this decision today, we would love to share in that joy with you. Please let someone know so that we can pray with and for you!

The Truth About Easter:

Selected Scriptures

Easter Sunday – a time for those who are Christians to celebrate and

commemorate the resurrection of Jesus Christ! Jesus, after having been nailed to the Cross, and experiencing complete and total death, literally came back to life again. Jesus was our substitute upon the Cross – the death we deserved for our sin. It was placed upon Jesus Christ. When you place your trust in Jesus, you walk out of the eternal courtroom free – without the stain of sin on your record! The good news about Easter is not about a bunny. It is about God in human flesh, literally rising from the dead, and proving that He is exactly who He claimed to be! HALLELUJAH! HE IS RISEN!
