*Keeping Christ and the Cross at the Center of All We Do*

## Welcome April 7, 2019

Lake View Church is a body of believers with the goal of...

*Keeping Christ and the Cross at the Center of All We Do!*

It is our desire to glorify God in our worship and to enjoy a worship service that is inspiring, challenging and convicting! Lake View Church is Christ-centered, blending with traditional & contemporary, casual & caring ... there is a place for everyone here. During our service today, you will be confronted with Jesus Christ as a risen and living Savior. You will see the evidence of His life around you and you may be drawn to Him to the point that you would desire to begin a personal and meaningful relationship with Him. If so, we invite you to respond by faith and say "YES" to His love and the forgiveness He offers you! If you make this decision today, we would love to share in that joy with you. Please let someone know so that we can pray with and for you!

## Asleep In Church Acts 20:1-16

It would be fair to say that all of us, at one time or another, have had difficulty staying awake at work, school, or church. In Acts 20, we read of a young man who fell asleep in church - what happened to him offers us some insights into our own life and heart's attitude. We understand physically falling asleep, but we should have a greater concern for the souls of those who are spiritually asleep! It could be the person who does not understand the things of God or it may be someone who goes through the routine of worship and discipleship, mindlessly and drift toward slumber. Satan would like nothing better than to lull us to sleep spiritually. To distract us and make us comfortable right where we are. We must be vigilant and stir up the flames of our spiritual lives. We must wake up!
